

Dear interested party,

we would be happy to send you more information.

However, we are not allowed to share the report and the valuation without permission.

So please send us your name and contact details.
We will then look for the permission from the valuer to send you the report and hole valuation.

**I can and may answer "normal" questions for you.
I can also tell you at what price the properties are valued.
It is also possible to send the maps.
Please just send an email or a WhatsApp message.**

Restriction on Publication:

This report and valuation is strictly for use by the addressee only and should not be published or released to third parties without prior written notification of the form in which it will appear. Reproduction or public reference to the contents of this report is prohibited without authorisation.

Best regards,
Joachim
